INTERNSHIP COMPLETION CERTIFICATE

To Whom It May Concern,

This is to certify that **Ms. Sangami Kuppusamy** successfully completed her Internship Program at *Astrova Aerospace Private Limited* during the period from **26th June 2024 to 15th April 2025**.

Throughout her internship, Sangami collaborated with our training division and contributed to various projects involving drone technology development, AI-based surveillance systems, software development, and technical operational support. In the prototype phase, she actively worked on developing the user interface and training data models. As the project progressed, she also supported system integration and deployment activities within the AWS cloud environment.

Sangami demonstrated sincerity, dedication, and a strong willingness to learn. Her performance, discipline, and overall contribution during the internship were highly commendable. We wish her all the very best in her future career endeavors.
